O. B. Recreation Center Reported Near Completion

SOME DELAY DUE TO LACK OF MATERIALS AND PRIORITIES

Contractor F. E. Young informed The News this week that the new $100,000 Ocean Beach recreation center at Santa Monica and Ebers is about 85 per cent complete. His firm, however, has had to slow up recently due to lack of certain kinds of the materials and also due to the diversion of materials to home building for veterans. He still hopes, he said, that the structure will be finished around January 1, the original date set for completion.

The workmen at present are busy plastering the structure.

A meeting of the Community-Civic committee which pushed the campaign for the center was held at the Elementary school Tuesday noon, at which policies for the operation of the center were discussed. A report was heard at this meeting from a sub-committee consisting of Mrs. D. C. Muchmore, Col. Rolin Shaw and Mrs. Warren Mead on their recent conference with the city recreation commission. They reported that the commission expressed a desire that Ocean Beach should have a local committee to act in an advisory capacity in cooperation with the commission in the formulation of policies and program to be carried out in the operation of the center.

At Tuesday's meeting, the names of Mrs. Muchmore, Mrs. Mead and Messrs. Shaw, Harry Masters and Milton Lancaster, were suggested as the five from which the city's commission would select a smaller liason committee.

LOUIS BALDINO'S CAR STRUCK TWICE IN 24 HOURS PAST WEEK-END

"Last week sure was a bad week for us," said Louis Baldino when questioned concerning the two accidents occurring to their car. The first one was last week Thursday evening at 7 o'clock when a hit-and-run driver smashed into his car as it was parked in front of his store, the Mamie's Sweet shop, pushing it up onto the sidewalk but damaging the bumper only. The police were able to trace the driver of the other car who is a 17-year-old boy living in Point Loma.

The second accident happened on Friday morning when Mrs. Baldino was driving on Ivy St. in San Diego when the driver of a parked bread truck opened the door of his truck immediately in the path of Mrs. Baldino's car. Result of this was a slashed fender for the Baldino car.

Mr. and Mrs. Wilson P. York of 4919 Saratoga Ave. left Monday to spend several days in Los Angeles.

Lions to Send Welcome Wire To U. N. Conference

First regular noon meeting of the Ocean Beach Lions club was held yesterday (Thursday) at Saska's Chicken Bar on Newport. A large turn-out of the membership resulted from the change in the meeting time. Program for the session was held following lunch and consisted of a discussion period conducted by Tony De Pietro honoring United Nations week which marks the opening of the United Nations conference. The lively discussion resulted in the passage of resolutions authorizing the sending of a welcoming telegram from the club to the delegates of the U. N. and establishing a continuing program of study of the work of U. N.

Guests present for the meeting were George Duryea, president of the Chula Vista Lions club and zone chairman of Lions clubs, and Roscoe Griswold, secretary of the Chula Vista club. New Member Joe Saska was officially inducted into Lions International by Lion-Tamer Phil Sjoberg. President Bill Stone presided.

Program scheduled for next week's meeting will present the two candidates for district attorney in San Diego, Thomas Whelan and Don Keller.

MOVING OF BARRACKS DELAYED; LOOKS LIKE THEY MAY ROLL TODAY

Moving of the WAVEs barracks buildings that are to be the new annex for the Sand-Oster Clinic has been delayed, Dr. Alfred Sand reported Thursday, but the indications are that they may be rolling up Bacon St. by today (Friday). Plan is to move both halves of the structure the same day.

One of the halves has been hoisted on the moving "dollies" and the other was undergoing that process Thursday.

As for the remodeling after the barracks are in place south of the present Clinic building, that may take several months, Dr. Sand stated.

William Choate Mo. M. M. first class, who has been on Guam for two months, returned to his home Sunday evening at 4947 Coronado Ave. He came from Guam by airplane to San Diego.

The headline candidates on the Republican ticket have been invited to speak before a mass meeting of the voters of Ocean Beach to be held at the Ocean Beach Elementary school auditorium Friday evening, Nov. 1, starting at 7:30 o'clock. Announcement of the meeting was made here this week by the Ocean Beach Republican club, sponsors of the rally.

Leaders of the club stated that this meeting is being called in the interests of Fred H. Kraft for the state senate, Senator Wm. F. Knowland for the U. S. senate, Charles K. Fletcher for congress, Fred Howser for attorney general, Judge Godwin Knight for lieutenant governor and Frank Luckel for the state assembly.

Each of the candidates named is being invited to speak at this mass meeting. Republican County Chairman J. R. Taylor and Mrs. Lillian Johnson, president of the San Diego Republican Women's league, also are expected to be present.

Tough Break For Pointers In Tilt With Grossmont

TRIO OF HIGH SCHOOL STARS REPORTED ON INJURED LIST

Point Loma High's Pointers go into grid battle this (Friday) afternoon at 2:30 minus the services of a trio of stars of the previous games this year, and Coach Don Giddings, to say nothing about hundreds of loyal fans ,are none to happy about the situation. The three on the crippled list, Jim Jensen, Manuel Andrade and Manuel Silva, in fact represent the entire Pointers backfield except the quarterback.

Jensen is out with a knee injury suffered in collision with the players bench in the Oceanside game last Friday, Manuel Silva because of a leg injury he received in the Kearny game and Manuel Andrade with a bad knee, from the Brown Military Academy game.

Result is that the Pointers will start with practically an entire new backfield in today's big homecoming game. Lee Weiss has been switched from quarterback to fullback. Richard Stangl is slated for quarterback, Don Jones for left half and Paul Kaneyuki for right half.

The other seven in Giddings tentative lineup for today's encounter with the up and coming Grossmont club includes Dave Finster at left end, Manuel George at left tackle, Ray Keough, at left guard, Joe Medina at center, Gordon Thompson at right guard, Emmet Herz at right tackle and Don Blackman at right end.

About all the coach has to call on for substitutions, he said Wednesday, were Ends Ralph Silva and Don Larsen, Center Duane Michaels, Guard Charles Wilson and Quarterback Pete Simmons.

C. of C. Again Takes Up Torch For Fishing Pier

Ocean Beach Chamber of Commerce again has "taken up the torch" for the San Diego fishing pier located at the foot of Del Monte Ave., with the idea of getting action looking toward completion of the pier. Local business men and fishing fans generally of this city feel that the pier, in its partial state of completion, is largely money wasted. Until the construction out into the ocean to the distance originally contemplated has been finished, the best fishing provided by the adjacent kelp beds section of the ocean cannot be enjoyed except by boats, according to the opinion expressed frequently to The News.

Resumption of the campaign for the pier came Tuesday afternoon at the October meeting of the C. of C. directors. They decided to draft another letter to the city council, in which to press the matter for an early completion of the pier. Secretary Rolin Shaw was instructed to draft the letter.

The directors voted approval of a plan outlined by Mike Sullivan for the construction of additional bathhouse facilities near the Cubby Hole on Abbott St.

Other matters demanding attention of the directors were postponed to an adjourned meeting to be held likely this week-end.

Letter From Grigsby

The local Chamber of Commerce last week received copy of a letter from James F. Grigsby, directed to the city council, further outlining the need for completing the pier. Text of Mr. Grigsby's letter, which was presented to the council Tuesday, follows:

For many years the people of San Diego have been promised a pleasure fishing pier. To date there is only the stub of a pier at Ocean Beach. City officials have been quoted in the local press many times in past years offering excuses or explanations as to why the project could not be completed. Foremost among these has been the alleged lack of funds.

Today's San Diego Union contains a quotation of a statement made by the City Manager of San Diego to the Council as follows, "We have $200,000 there that we

Several Clubs Formed at Dana Jr. High School

Several new student clubs have been organized at Dana Junior High school, reports Principal C. R. Swenson this week.

A new Photo club was recently organized under the sponsorship of Henry Wiegand, art teacher. The well equipped photo laboratory of the school will be used by the club and some interesting picture taking will be the result, reports Swenson. The members expect to learn how to develop and print their own pictures. Alfred Goldman has been elected president and Jackie Fatke secretary. Other members to date are Ruth Boyd, Dorothy Tracy, Jim Bell, George March and Don Clayton, with other students planning to join later.

The Girls Reserve club, under the guidance of the Y. W. C. A., is re-organizing under the sponsorship of Mrs. L. F. Barnes, mother of one of the members. Boy Scout Troops No. 13, (Frontier), No. 24 (Loma Portal), No. 28 (Ocean Beach) and No. 82 (Point Loma-Roseville) are composed large of Dana boys. The Girl Scouts and Campfire groups are looking for sponsors to assist in organizing additional groups.

With the completion of the organization of the student government plans for the social program of the school will be rapidly completed and will be reported in the Ocean Beach News in an early issue.

Junior Hi-Y Organized

A new Hi-Y for Dana Junior High was organized Monday evening, Oct. 21 at a meeting held in the Y. M. C. A., downtown San Diego. The new sponsor of the club, Carl Gardner, is teaching his first year at Dana. He was formerly a physical education teacher who recently was discharged from the Navy. Twenty-five members have joined the club as follows: Ernest Fontes, Harold Sweet, Isaias Luz, Eugene Allen, Jimmy Bell, Richard Priest, James Handly, Donald Souza, Bud Cooper, Don Roy

Dana's Student Officers Elected For Coming Year

ROBERT JONES WINS PRESIDENCY OF STUDENT BODY

In the final election of student body officers at Dana Junior high school held last Friday, Robert Jones won out over Alton Spangler for president. John Creamer nosed out Billy Graham in the closest race of the day for vice-president. Mollierae Bell defeated Virginia Caldwell for secretary and Thad Woodland won as treasurer over Phil Whitacre.

Enrollment Now 1328

The race was an exciting one, with all candidates appearing in the assemblies to plead their cases. Due to the fact that the school enrollment has climbed to a total of 1328 students to date it was necessary to hold six assemblies—two each day for three days—in the cafeteria to accommodate the student body. Clever posters advertised the candidacies of the various school politicians and student body spirit soared high.

The student council is composed of representatives elected from each home room at Dana and the candidates for school officers were nominated by the Council with the final vote taking place in the home room classes to determine the winners as noted above. A list of the home room representatives follows:

Joe Rosa, Nancy King, John Creamer, George Marsh, Joe McNamara, Sara Buso, Don Harrington, Ariji Hatakeda, Donald Priest, Thad Woodland, Louise White, Suzanne Hanna, Zackie Morgan, Joan Feagan, Mary Ann Little, Dorothy Lindsay, Wilma Sohnlein, Phil Whitacre, Robert Jones, Joseph Cardosa, Robert Johnson, Mollierae Bell, Clyde Jones, Bill Graham, Virginia Caldwell, Joella Coles.

Bobby Buso, Richard Woodworth, Kenneth Honea, Paul Soby, Alton Spangler, Valerie Ivers, Ginger Kincaid, Wayne DeBate, Nadine Viery, Mitzi Schmidt, Mary Virrissimo.

Azure Vista Man And His Son, 8, Saved From Surf

Proof of the old adage that time nor tide waits for no man was offered Sunday afternoon when Wiley Morgan of 734 Cornish Dr. and his 8-year-old son, William, were trapped by the rising surf on a narrow strip of beach flanking the cliffs at the foot of Sunset Cliffs Blvd.

Unable to return by the cliff trail which was under water, the Morgans attracted the attention of a passerby, who in turn called the Ocean Beach lifeguards. The lifeguards enlisted the aid of the Ocean Beach fire department which rushed its portable boom and rescue chair to the scene.

Lifeguard Lieut. Fred Crowther was lowered in the rescue chair to the tiny strip of beach where the Morgans waited. The Morgan boy was the first to be hoisted up, followed by his father, then Lieut. Crowther.

Lieut. E. Fenwick of the Ocean Beach fire department directed the rescue efforts.

State College Changes Studies Due to Veterans

PREXY PRAISES VETS IN ADDRESS TO KIWANIS

Changes made in the kind of education being provided at San Diego's own State college to meet the new educational needs, especially of the war veterans now in school, were outlined by Dr. Walter R. Hepner, president of this institution, before the meeting of Ocean Beach Kiwanis club Tuesday evening. Wallace hall was filled to capacity for the dinner meeting. The Kiwani-Annes were special guests for the event. Past Club President Jerry Sullivan, a former student of State college, was the program chairman.

Dr. Hepner chose for his subject, "College Education—1946 Model," and after giving the history of the college, he told of how the school is now so crowded, with its 3556 students, that classes are held from 8 a. m. to 9:30 p. m. and on Saturday forenoons. The increase in enrollment is from 2200 in 1939, he said, and of the total at least 1600 are veterans of the late war. He said one third of the 1600 are married students. Also of significance is the fact that 37 per cent of the enrollment is of freshmen, he stated.

He paid high tribute to the character of the vast majority of the veterans enrolled at State college. "They are sincere and intent on getting an education as rapidly as possible," he said. "They are mature beyond their years, they are determined to get as much as possible of the things they fought for in the war and they don't want any monkey-business. I hope the attitudes toward education and life that they are showing are indicative of what our society will be in the years ahead. My experience with them shows that the changes ahead of us are to be more an adjustment of those who remained at home to the veterans' ideas instead of a re-adjustment of the veterans to the kind of society that we have been having in this country," he pointed out.

He indicated that State college already has changed its curricula to make it conform to the new needs of these veterans, particularly to streamline the courses. Main change being made is to provide practical vocational training in the junior and senior years along with the usual cultural studies, the speaker declared.

Pvt. Robert C. White of the Army anti-aircraft corps will leave Sunday for Camp Stoneman for overseas assignment. Pvt. White has ben visiting with his parents, Mr. and Mrs. Robert K. White of 4765 Brighton Ave. for three weeks.

"POP" HOMER VUNCANNON PASSES AWAY OCT 19; FUNERAL HELD TUESDAY

Funeral services for Homer Orth Vuncannon of 5068 Saratoga Ave., age 71, were held at Beardsley Funeral Home, 1818 Sunset Cliffs Blvd., on Tuesday, October 22, at 2 p. m., with Mrs. Colburn officiating. Greenwood Memorial Park was chosen as his final resting place.

Born in Plainfield, Ind., on Feb. 18, 1875, he had been a resident of Ocean Beach since 1940. "Pop" Vuncannon has been with his many friends along Newport Ave. for the past five years, since he has been making his home with his step-daughter, Netha Byxbe at the Saratoga Ave. address.

During his active career he had followed the trade of carpenter.

On the morning of Oct. 7, while he was dressing he suffered a cerebrum hemorrhage. The next day there was the beginning of hemiplegia and as this paralysis continued he was removed to the San Diego General hospital, where he passed away the morning of Oct. 19, without regaining consciousness for more than a few moments at a time.

Surviving are his step-daughter, one grandson and a great-grandson.

Community Chest Drive to Start On Next Monday

San Diego's annual community chest campaign, in the Ocean Beach district, will start next Monday, Oct. 28, Milton Lancaster, co-chairman with Dr. W. B. Oster, announced Thursday. The local quota will be a little larger than last year, when Ocean Beach "went over the top" by 135 per cent of its quota, Lancaster said.

Ocean Beach is district 4 of area 6, the area campaign being under the direction of Mrs. Walter Hepner, wife of State college president. The local district has been divided into five sections with the following as the captains of each, Lancaster reported:

Section one—Mrs. D. C. Muchmore.

Section two—Mrs. W. B. Oster, and Junior Woman's club.

Section three—Mrs. George Ruud.

Section four—Ocean Beach Woman's club.

Section five—Mrs. Helene Wetherill.

The local Kiwanis club, under the captaincy of Bill Morlin, will handle the drive in the Ocean Beach business section.

Quota set for the entire city is $667,915 for the 36 agencies included. Of special interest to Ocean Beach is the allotment for the Door of Hope home of $17,245, Boy Scouts $27,389, Girl Scouts $18,851, and Camp Fire Girls $13,110.

"The women in charge of the various sections are busy housewives and their time is limited, so any cooperation Ocean Beach folks can give them in expediting the campaign will be appreciated," Chairman Lancaster stated Thursday. "Donations need not be paid all at once," he said, "they can be paid in quarterly payments."

Plan is to complete the drive in the entire city by Nov. 28.

Joseph Joesler of 4831 Cape May Ave. left Tuesday, October 15, to go to Tucson, Ariz., and El Paso, Tex., on a business trip. He plans to be gone for several weeks.

George and Charles Underhill of 4675 Coronado Ave. drove up to Long Beach last Friday to attend the wedding of their sister Miss Margaret Underhill. They returned to Ocean Beach Sunday.

Navy Plans Open House Oct. 26; 213 Planes Monday

An all-day open house is planned for the public at the Naval Air Station, San Diego, tomorrow (Saturday), October 26, which will feature conducted tours, exhibitions, sports events, an air show, and, for a lucky few, half-hour rides in Naval aircraft.

The air station will be open to visitors from 9:30 a. m. to 4:30 p. m. Children under 14 must be accompanied by their parents. Transportation will be furnished at the station for purpose of sight seeing around the most interesting points of the station. Station boats running on a continuous schedule will leave from the Fleet Landing (Harbor Drive across from Naval Supply Depot). The Star and Crescent boats (commercial) also will make runs to the air station, leaving from the foot of Market St. Entrance via automobile or on foot may be made through the main gate, Fourth St., Coronado. Visitors in autos will be required to park their cars at designated spaces and then board station busses to points of interest.

213 Planes Coming

San Diego will be one of the Southern California coastal cities to be afforded an opportunity on Monday, Oct. 28, to view with impunity a mighty armada of Navy and Marine combat-type aircraft which little more than a year ago would have struck dread into the hearts of the "Sons of Heaven."

Piloted in most instances by seasoned veterans of the Pacific war, the 213 Fleet planes which rendezvous over the Marine Corps Air Station, Miramar, at 10:30 a. m. next Monday to begin an air parade over the coastal cities will bring to a climax a week-end of extensive aerial activity designed by Navy and Marine commanders to lend emphasis to Navy Day observances throughout the entire Eleventh Naval district.

Departing from downtown Los Angeles at noon, the giant formation will parade over Fullerton, Anaheim, Santa Ana, El Toro, Escondido, San Diego, East San Diego, La Mesa, El Cajon, Chula Vista, National City and Coronado before the final breakup signal is given over Naval Air Station, San Diego.

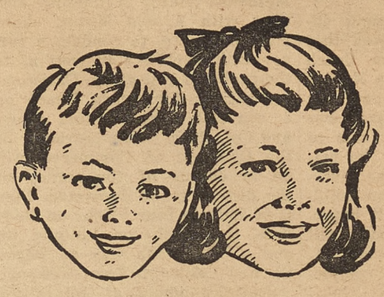
"For Jimmie and me Vote 'Yes' on 3"



Proposition 3 will relieve the teacher famine in California by guaranteeing public school teachers a minimum salary of $2400 a year. *Local taxes will not be increased by this measure. State funds are available for this purpose.*

Two hundred California organizations, including the following, urge you to vote *"YES"* on 3—Republican and Democratic Parties, American Legion, Veterans of Foreign Wars, Disabled American Veterans, AFL, CIO, Native Daughters and Native Sons, and P-TA.

And remember—when you vote "Yes" on 3, be sure to vote "No" on 13, which would further reduce present inadequate school appropriations.

SAN DIEGO LAWYERS FORM COMMITTEE TO BACK THOMAS WHELAN

During the past week lawyers of San Diego county, members of the Bar Association of San Diego, have met in three separate meetings, and a committee of lawyers aggregating more than 100 members has been formed to endorse and support the reelection of Thomas Whelan, district attorney, reports his campaign manager.

Harry P. Sweet has been named chairman of this committee and Clifford K. Fitzgerald, executive secretary.

According to Harry P. Sweet, chairman of the committee, the lawyers have weighed carefully the record, ability and experience of District Attorney Thomas Whelan and have weighed against Whelan's record as district attorney their knowledge of Whelan's opponent, and the general all around qualifications of Mr. Whelan and his opponent.

The committee of lawyers, as a result of this investigation, has voted to publicize their findings, advertise the record and ability of Mr. Whelan and otherwise support him in his campaign for reelection, Whelan's campaign manager reports.

Schools Sponsor Class of Parents With Children

A class in "Parents' Child Observation" will be opened Wednesday, October 23, 9 a. m. to 12 noon, at the Community building of the Warren Navy Housing project at 2276 Wolcott. The class is being sponsored by the Department of Vocational and Adult Education of the San Diego city schools, with Mrs. Clara Tyndale as instructor. The parents will be sitting on the sidelines observing behaviour patterns. The last hour of each session will be devoted to a discussion of the behaviour traits observed with particular emphasis on the methods of encouraging desirable behaviour patterns and discouraging undesirable ones. All parents in the Ocean Beach and Loma Portal communities are particularly invited to attend.

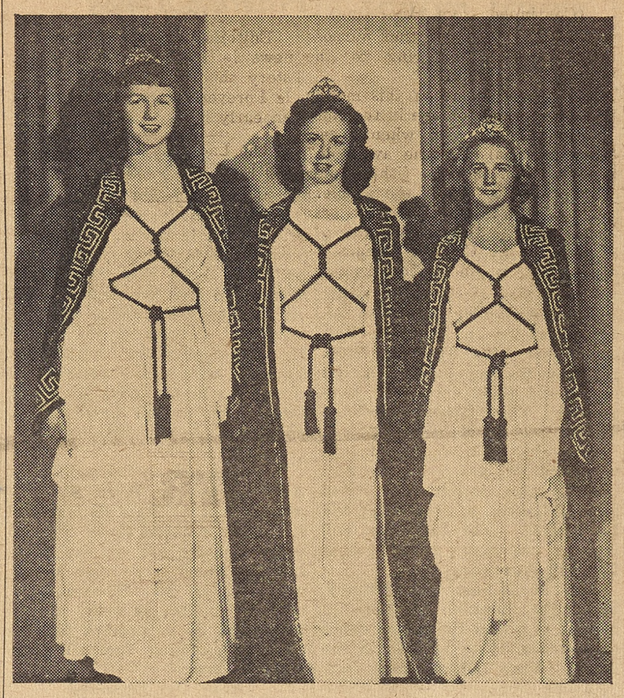
Top Officers of New Ocean Beach Bethel



—Portrait by Maxwell.

Reading from left to right—Patricia Ruud, senior princess; Adele Hardie, honored queen; Lorelei Fischer, junior princess.

Institution ceremonies for the new Point Loma Bethel of Job's Daughters will take place Sunday afternoon, Oct. 27 at 2 o'clock in the auditorium of the George Dewey Elementary school on Rosecrans St.

The initiation will be under the direction of the La Jolla Bethel. Instituting ceremonies will be handled by the Grand Officers of the Order of Job's Daughters from Los Angeles. The present and past queens of the San Diego Bethels will install the new officers, with the assistance of Mrs. Catherine Smith, deputy guardian of Bethel 40 of San Diego, and Mrs. Hazel Haizlip, guardian of Bethel 152, East San Diego.

Forty girls will be initiated. The queen of the new Bethel will be Adele Hardie of 600 Catalina Blvd., with Pat Ruud of 4752 Santa Monica Ave. as senior princess, and Lorelei Fischer of 4762 Cape May Ave. as junior princess.

The guardian council will include Caroline Lukehart, guardian; Walter P. Larsen, associate guardian; Hazel Saan, guardian secretary; Ruth Cobb, guardian treasurer; Vera Beardsley, guardian of music. The associate guardian council will consist of Lela Petty, guardian of sociability; Smila Marovich, guardian of hospitality; Charles Mayers, guardian of finance; and Juanita Hunting, custodian of paraphernalia. The honorary mother of the Bethel will be Esther Milton.

Jo and Fred Edwards of Jo's Flower Shop were agreeably surprised, to say the least, to get a large order this week all the way from Memphis, Tenn., for flowers for the funeral of Charles Francis, formerly of the Internal Revenue Collector's office of that city. The customer passed up the large flower shops in San Diego for failure to get from them the service asked for and instead patronized Ocean Beach, indicating that the local concern are "right on their toes" in providing asked for service. Fred made the trip Wednesday afternoon over to Costa Vista near Santa Ana, where the funeral was held, to deliver the flowers.

Pointers Battle Oceanside To A Scoreless Tie

Point Loma high school's football team battled Oceanside to a scoreless tie on the latter's gridiron Friday afternoon. Coach Don Giddings' worthies had somewhat the best of the argument and at one point in the third quarter were on Oceanside's seven-yard line. Oceanside never got closer to the Pointers' goal than the 25-yard line.

The game was on the regular Metropolitan league schedule and the standings now show Point Loma tied with La Jolla and Grossmont for the loop lead, each with one game won, one lost, and one tied. Kearny is in fourth place, Oceanside and Escondido tied for fifth, Sweetwater seventh and Coronado eighth.

Results of other league games played last Friday were La Jolla 12, Escondido 12; Grossmont 20, Sweetwater 14, and Kearny 12, Coronado 0.

Why can't some of this money be ear-marked for use in the completion of our pier when necessary materials become available?

We could have a fishing pier if we were to attack the problem with a degree of the enthusiasm as shown by the people and officials of the City of Oceanside. Their pier is under construction.

A pleasure fishing pier would be a real community asset beneficial to many thousands of individuals both young and old. You gentlemen have it within your power to formulate some definite plan of action in this matter. If you will give it your consideration, I am certain it will be greatly appreciated.

HALLOWEEN

Strange things are going to happen on the evening of October 31, for on that night the goblins and witches will come out of their hiding places and enjoy their brief annual fling—much to the delight of youngsters and probably to the distress of their parents and neighbors.

Of course the youngsters can't be blamed. It's the witches and goblins that play all the pranks. The kids just happen along, by mere coincidence, when the front gate comes off the hinges and winds up on the roof of the garage, or when the windows of automobiles and stores suddenly blossom forth with profuse hieroglyphics.

Well, maybe this year the younger generation will keep the visiting w's and g's from getting too boisterous. A lot of good fun can be had without damaging anybody's property or creating a nuisance.

Let's hope a good time will be had by all—including parents and neighbors. And they can by patronizing Ocean Beach's own Halloween parade and fun.

NAVY DAY

America's Navy on this Navy Day of 1946—October 27—is but a shadow of what it was last year or the year before. But that was to be expected. It would not be either reasonable or justifiable to maintain our sea forces on a war footing during peace time.

It is important, however, that we keep our Navy in a position where it can be brought back to full fighting strength on short notice. And apparently this is being done. Unlike the period following World War I we are not setting about to wreck our fleets. Instead we have put a large number of ships in the "moth balls" for future use—if necessary.

In view of the unsettled international conditions it is reassuring to note that the active sea forces are very much larger than they were prior to Pearl Harbor. This is as it should be.

Most important policy of all, however, is that we make sure that our Naval fighting arm is right up to the minute in efficiency. We must not hesitate to scrap out-moded units of the fleet, and in our building of the future build those units that can cope with the new atomic and rocket phase of warfare. More than ever the next war, if there is one, will be decided by superior air power, which means emphasis on aircraft carriers and other forms of Naval air power. This war taught that the battleship, as such, is practically obsolete. To squander the taxpayers money at 50 million dollars a throw on battleships is nothing short of criminal waste.

But, in the long run, we cannot look solely to our Navy or to any form of military might—including the atomic bomb—for lasting peace and protection. This must come through greater understanding and cooperation among nations. When this is achieved, as it must be some day, navies will be obsolete.

Until then, however, we must keep our powder dry and our Navy ready.

THREE KINDS OF PEOPLE

It is easy to generalize and say, "There are just two kinds of people in the world." The optimists, with rose-colored glasses, who say—"Everything will work out all right. It always has." And the pessimists, with dark brown taste, who say—"Everything is working out all wrong."

If there are only two kinds of people, the optimists will soon find their rosy glasses smashed. They will find that everything has not always worked out all right. They will find at least seven former civilizations that did not work out—that went out instead, and that are now entirely extinct. They will find the present age speeding rapidly on its way to becoming the eighth extinct civilization. And that the pessimists are right in thinking everything is working out all wrong.

There is fortunately a third kind of person—neither those who think everything is all right or all wrong—but who think everything can and should be different and are giving everything they have and are to make it so. As described by Peter Howard in his book "Ideas Have Legs," they introduce "into every equation of hopelessness the new element of change."

The fate of the world hangs on the success of this third kind of people. The fate of your town, of your business and of your street and home. Are you yourself one of these people? Or are you what Peter Howard calls "one of the Missing and Misty Millions?" These are the people, he adds, who say "that the world is in a mess but do not believe that they had anything to do with putting it there, and cannot see that they have a part in pulling it out again. They all want to have the other fellow changed and are all waiting for the other fellow to begin.

Leidig Writes "I Wish I Never Was a German"

From Capt. Alfred Leidig, an ex-German submarine officer, Director Orren Louden of the local arts school Tuesday received the following letter in which the writer states that he wishes now he never was a German.

Hamburg, Germany,
Sept. 9, 1946.

Dear Mr. Louden:

This is the second letter I am writing to you, wondering that I don't hear of you, guessing that you may have changed your home. This letter I will address to your New York club, hoping that the club may have your new address. Maybe you are somewhere in Europe, still busy with war affairs. I want to let you know that I am still alive, Mrs. Leidig, too. I very nearly lost her by the terrific air attack in 1943 which disturbed a big part of the beautiful town Hamburg. I wonder now, after this second terrible war, if the Germans finally haven't learned to live in peace. What a crazy guy had reigned in Germany, and how many Germans ran with Hitler! I think they are cured now for their lives. What is the result? No more business, no more ships—I am now feeling as a fish on shore, being without a ship, and still I hope one day I will be able to be on the water again. What a good ship was our old "Koeningstein." I lost my home in the war, lost all my furniture and clothes, your beautiful painting, too. Mrs. Leidig and I were often ill, I had my troubles with my glands, which eat all whta my body should have. They are working so hard. My weight is now exactly 56 kilograms and Mrs. L's weight is 48 kilos. All this with so little food we get. Now we are happy, getting 4 or 5 pounds of potatoes every week. Last winter we even had no potatoes .I have spent all my money to buy some food on the black market. This winter will be bad again. One cannot get far with three slices of bread each day. I am glad, keeping my weight now, after having X-rays to destroy some parts of my glands.

How did you get along? Be glad that you don't need to suffer. I wish now I never was a German. Everything is taken. Now some friends of mine took me in their business, a traveling office, here in Hamburg. One day, I hope, I can put my feet on board of a ship again—the medicine I need.

Hoping to hear from you soon, I remain with best regards from Mrs. Leidig,

Yours, Capt. Alfred Leidig.

Director Louden, who received the letter Tuesday, makes the following comment on Leidig:

"In 1939 my wife and I sailed to Europe on a painting trip on the S. S. Koeningstein, the flagship of the Arnold Bernstein line. We were invited to sit as guests at the captain's table. The crossing was a long one—11 days—and during that time we became well acquainted with our host, Captain Alfred Leidig. His story was an interesting one—he was the fifth of a line of sea captains in his family, had been the youngest U boat commander in World War I. After the war he decided to leave the sea and went to Canada. To earn his living he played a piano and violin in a third rate movie house. Henry Ford heard of him and contacted him to help him with an experiment—to transport Ford cars to Europe on old cargo cruisers and freighters. He made a success of it and was employed by Arnold Bernstein as commander of the flagship of his fleet.

"Shortly before Pearl Harbor Captain Leidig suddenly disappeared from the Bernstein lines as Hitler recognized his abilities. Leidig was forced into World War II."

Mrs. Roy V. Milton of 4646 Saratoga Ave. is recovering from a heart attack she suffered recently and is expected to be out of bed soon.

Question: What do you think could be done to clear up the traffic and parking congestion on Newport Ave.?

"By all means put in parking meters. Street parking should be for all the people rather than just the people who get there first."—Mrs. Lawrence Krettler, 1641 Cable St., Housewife.

"A stop sign on Cable St. at Newport Ave. should eliminate some of the congestion at that corner and slow down Cable St. traffic without too much inconvenience to the motorist."—John Foley, Bank of America.

"The merchants and business people should park their own cars in the rear of their places of business thereby leaving more space for potential customers and shoppers."—Marc Strauss, Sportswear by Marc.

"I would like to see the business people park on side streets or parking lots in order to give the patrons a chance to park in front of the stores. A two-hour parking law should eliminate the trouble."—Henry B. Kerley, Strand Barber Shop.

"I think any traffic crossing Newport should be stopped by stop signs, especially the Cable St. traffic. I can't see why there is enough of a parking problem on Newport Ave. to necessitate putting in a two-hour parking law."—Mary Shadbolt, Strand Radio Store.

"The traffic congestion could be avoided by enforcing the law against double parking and the parking difficulty could be relieved if there were meters or else a one-hour parking law enforced in the business district."—Col. Rolin Shaw, Real Estate Dealer.

Next week's question is: "Do you favor Secretary of State Byrne's policy of firmness toward Russia or the appeasement policy of ex-Secretary Wallace?"

CALIFORNIA SPEAKS!

HARRY BORBA, S. F. sports writer — "Football teams are tougher because ex-G. I. players are filled with judo as well as good old-fashioned animal spirits."

JUDGE GOODWIN J. KNIGHT —"I am against paternalism in Government, whether on the Federal, the State or the local level."

FRANK DOHERTY, former pres., L. A. Chamber—"In America no one dares raise race, religion or nationality as qualification for jobs."

EDWARD ARNOLD, screen star—"The simple truth that the public school is the very foundation of our American way of life is compelling reason for passage of Proposition 3."

Mrs. Esther Milton of 4646 Saratoga Ave. has been confined to her bed since Monday, Oct. 14, with a heart attack.

All-Time High Of Registrations Listed In State

SACRAMENTO, Cal., Oct. 23.—With a total registration of 4,383,963 eligible voters, a new record was established by California, reports Frank M. Jordan, secretary of state.

The all-time high is composed of 2,541,720 Democrats, 1,637,246 Republicans; 6,771 Prohibitionists; 192,109 who declined to state their party affiliation, and 6,117 miscellaneous registrations.

The new registration was 242,632 greater than the all-time high set for the general election of 1944 and 270,355 above that of the June, 1946, primary election.

Of the total eligible to vote Nov. 5, 57.98 per cent are Democratic registrations and 37.35 per cent Republican. In the 1944 registration the percentage was Democratic, 58.41 and Republican, 37.39.

For San Diego county the totals are 121,178 Democratic registrations, 80,922 Republican, 594 Prohibition, 15,521 declined to state, making a grand total of 218,215 for this county.

This younger generation of ours is plenty smart. Take the boy who asked his father how wars got started.

"Well," said Dad, "suppose America persisted in quarreling with England, and—"

"But," interrupted the mother, "America must never quarrel with England."

"I know," said the father, "but I am only taking a hypothetical instance."

"But you are misleading the child," protested the mother.

"No, I am not," shouted the father angrily.

"Never mind, Dad," put in the boy; "I think I know how wars start."

THREE OCEAN BEACH MEN GIVEN SAFE DRIVING AWARDS BY U. S. NAVY

Three Ocean Beach men were honored at a ceremony last week at the U. S. Naval Air station, when 67 civilians and enlisted personnel in all were presented "safe driving awards" by Captain Leslie E. Gehres, U. S. N., commanding officer of the station. J. S. Webster of 2729 46th St. and Ernest L. Sarrie of 4545 Muir Ave. were presented "five-year safe driving awards" and a "three year safe driving award" was presented to J. P. Herr of 1025 Robinson Ave. The other two local men are E. Shea of 4729 Narragansett Ave. and G. L. Dodds of 4920 Cape May Ave., who were given one-year awards.

Basis for presenting the awards was driving for periods of one year, three years, or five years without a single accident.

In a short speech after the ceremony, Captain Gehres thanked the recipients of the awards for their splendid co-operation in making this Naval Air station one of the safest in the United States.

Rodney Marshall, who recently returned to his home at 4611 Saratoga Ave. from Okinawa where he had been stationed, motored with his father several weeks ago to Denver, Colo., to visit with his sister, Mrs. Patricia Smiley.

MRS. J. WALTER MILLS HURTS FOOT IN COYOTE TRAP ON DESERT TRIP

Mrs. J. Walter Mills of 4755 Saratoga Ave. suffered an unusual accident last week when she and Mr. Mills were vacationing at Caliente Springs, Calif. Mrs. Mills stepped into a buried coyote trap which caused her considerable pain, she reports, but didn't injure her foot seriously. Mr. and Mrs. Mills returned from their trip on Monday after spending about four days in the desert.

Ecuador Wants No. American and British Settlers

What is believed to be the first news release that the Ocean Beach News has received from South America arrived in the mail here last week from Quito, Ecuador. Incidentally, the letter required nearly three months in transit, having been postmarked in Quito on July 24, 1946.

The release, which was addressed to the editor, is from the department of public lands and colonization of the ministry of economy of the Ecuador government, in which announcement is made that "125,000 acres of rich and potentially productive but uncleared land in the Santo Domingo de los Colorados area of Ecuador is now available to North American and British settlers. Each settler may obtain 50 hectares (approximately 124 acres) of this land, free except for modest commission-transfer charges, to approved applicants.

"This concession is authorized by presidential decree and contracted by the Ecuador government department of public lands and colonization.

"Elevation of this land is over 600 feet. Average temperature is from 72 to 88 degrees. Location is less than 125 miles from Quito, capital city of the Republic. Ample rainfall and excellent virgin soil, testing equal to that of Java, is indicated. Stands of top grade tropical timber are to be found on the land.

"Ecuador, with but 3,000,000 inhabitants, needs and invites ambitious agriculturally inclined men and women of good character and responsibility."

Mr. and Mrs. Justin Walford of Vancouver, B. C., arrived in San Diego last Friday and are stopping at the Hotel El Cortez and planning to spend a week here visiting with Mr. and Mrs. Walter Marshall of 4611 Saratoga Ave. Mr. Marshall is Mrs. Walford's brother.

Your Baby will be safer in a Babee-Tenda because it is much lower and square, not top-heavy at all. A specially designed harness-type strap keeps Baby from climbing out. The wide table space around the seat prevents Baby from grasping at things. That's why the Babee-Tenda simply cannot be tipped or pulled over.

NEWS IN BRIEF

Mrs. May Holdredge of 4814 Voltaire St. had the pleasure of a visit from her son, Paul Driscoll, who recently was at the Bikini Atol, from Thursday last week until Sunday. He then returned to San Francisco to await his orders.

Mr. and Mrs. Charles C. Bradley of Oakland, Calif., stopped here recently en route home from a 3,000-mile trip through the west. The Bradleys lived here for 25 years before 1940. They visited with friends in Ocean Beach and La Jolla while here.

Vote for Five Water Questions Nov. 5 Advised

"When you receive your sample ballots, pay particular attention to two which pertain to the water propositions. Study them carefully so that you will be fully informed when you go to the polls November 5."

This advice to voters is contained in a statement issued this week by the Citizens Committee for Colorado River Water whose chairman, Ewart W. Goodwin, said there are five propositions on the two ballots, and that knowledge of them would prevent the possibility of any confusion.

One of the ballots is being submitted by the city; the other by the San Diego County Water Authority.

On the city ballot will appear these two propositions:

Prop. 1, for transfer of the city's water rights to the Metropolitan Water District of Southern California;

Prop. 2, for transfer to the Water Authority of the San Diego-Navy contract for construction of the San Jacinto-San Vicente aqueduct.

On the Water Authority ballot are:

Prop. 1, for annexation of the Authority to the Metropolitan district;

Prop. 2, for acceptance, by member agencies of the Authority, of the transfer of the aqueduct contract;

Prop. 3, for a $2,000,000 bond issue for construction of an aqueduct extension and branch lines to serve Water Authority agencies located in the county area.

Goodwin declared that approval of all water propositions will give the green light to the community's continued growth and prosperity by assuring an adequate supply of Colorado river water within a year. The city's present supply, he warned, is getting dangerously low, and would be near depletion by the end of 1947 in the event of another dry period this winter.

The Letter Box

October 14, 1946.

The Ocean Beach News
1922 Bacon Street
Gentlemen:

On the November 5 ballot there is a proposition, No. 4, "shall the salaries of the county supervisors be fixed by the state legislature." It was proposed by the San Diego county supervisors and has their unqualified support.

The proposal is no innovation. Fifty of California's 58 counties now have their supervisors salaries set by the legislature. This has been the law since the inception of county government. In 1933, at the depth of the depression, the San Diego county charter went into effect. In it was frozen the pay of supervisors at $350 per month. No pay adjustment has been made since that time. At that time the population was considerably less and the administrative duties of the office were light.

The California political code, in the county government acts, names the schedule of county officials and prescribes their duties. The legislature is invested with the right to determine salaries of most of the county officials in relation to their duties, population and areas served. This is done on the basis that county government is an arm of the state government, administering locally the state laws.

In San Diego county government every department head, and many of their assistants, receive more pay than the supervisors.

The proposed amendment would permit the legislature to review the situation, appraise the work load, and set up salaries commensurate with the duties performed. San Diego then would determine the amount of salaries paid her supervisors by the same process as used in the state's fifty other counties.

May I urge your earnest support of this proposed amendment No. 4.

Very sincerely yours,
DeGraff Austin,
San Diego County Supervisor.

OCEAN BEACH SCHOOL NEWS

(By Miss Gwendolyn Townsend)
Publicity Chairman

Mrs. Conger's second grade pupils took a trip to see a view of San Diego Harbor Friday, October 18. Parents drove the children to a hillside over-looking the channel. The children ate their lunch and watched ships go in and out of the harbor. The trip was to be an introduction to map study in the second grade and the children will make a simple map of San Diego harbor on the floor of their room.

Parents who furnished cars for the children's transportation were Mrs. Arthur Crouch, Mrs. Charles Chappell, Mrs. Sommermeyer, Mrs. Bob Myers, Mrs. Jack Benkner, Mr. and Mrs. Collins, Mrs. Kenneth Brumley, Mrs. Paul Farrar and Mrs. Don Pearce.

The children of the Ocean Beach Elementary School, two boys and two girls from each of the three grades, fourth, fifth and sixth, are to appear on a radio program on Saturday morning, October 26, at 9 o'clock. The occasion is a quiz program conducted by station KGB called "Quiz Down," to be held at the Spreckels theatre. The children expected to take part are: fourth grade—Jean Davis, Kaye Miller; fifth grade—Stephen Hoffos, Jacquelyn Bulleck; sixth grade—Pauline Smith, Peter Abbey.

Teachers from all schools of the Ocean Beach area visited the first grade group of Mrs. Carmen Sikes, last Friday forenoon, for the entire session. Mrs. Roberta Conger and Mrs. Frances Johnson will have teachers of this vicinity as visitors in their second grades next Tuesday, October 29.

Two new classes which have been organized in the school are, a lip-reading class, which meets once a week for an hour each Thursday under the direction of Mrs. Ruth Summerville, and a speech correction class taught by Miss Vivian Dyche, which meets all afternoon twice a month on Wednesdays.

A puppet show, presented by "The Puppeteers," was offered by the school on Thursday afternoon, with a small admission charge. This activity provided a new experience in the entertainment for the children, The News is informed.

REALTY DEALS HERE DOUBLE THAT FOR 3RD QUARTER OF LAST YEAR

Realty deals in Ocean Beach for July, August and September practically doubled the number for the same period of 1945, the Southern Title Monthly Real Estate Barometer of Oct. 1, reports. Deals for the third quarter this year totaled 333 as compared with 170 for the same period of last year.

The report shows 108 deals in September, 1946, in Ocean Beach as compared with only 52 for the same month of last year.

For the city as a whole, the totals for September were 1436 this year and 1012 last year, and for the third quarter 4737 for this year and 3270 for last year.

FOR VETERANS' WELFARE

VOTE "YES" ON PROPOSITION 2!

The Veterans of Foreign Wars and the Disabled American Veterans urge you to vote "YES" on Proposition 2 on the November ballot.

This measure will legalize greyhound racing in California — under strict State supervision — and turn over 4 per cent of all track wagers to a Veterans' Fund administered by the State Department of Veterans' Affairs.

It will perform a distinct service for California veterans. It will guarantee ADEQUATE FINANCING of State-sponsored welfare and rehabilitation activities, including support of the Veterans' Home at Yountville. It will relieve the taxpayer of the burden of paying for these services; greyhound racing will pay the bill instead.

California veterans ask you to support them in this campaign.

Let's Carry Through - Vote "YES" on 2!

Mailing of Tax Bills for 1946 Started Oct. 24

Mailing of the 1946 tax statements where the address is complete started Thursday (yesterday), County Tax Collector Sam A. Claggett asks The News to announce, and this is being done without request from such taxpayers, he says.

Claggett emphasizes, however, that "if property has been purchased since the first Monday in March, the lien date, it will appear on 1946 tax rolls in the name of the former owner, and the purchaser, if he has not already done so, should apply to my office in the Civic center for his tax bill. Furthermore, any taxpayer who does not receive his tax bill by November 6 should notify my office because by that date tax bills should be in the hands of all to whom they were mailed." He also calls attention to the following additional information, as contained in the legal notice as published in last week's issue of The News:

"One-half of the taxes on all personal property secured by real property and one-half of the taxes on all real property will be due and payable on the first day of November, 1946, and will become delinquent on the fifth day of December next thereafter, at five o'clock, p. m., and unless paid prior thereto, six per cent will be added to the amount thereof, and that if said one-half be not paid before April 21, 1947, an additional three per cent will be added thereto. Though the due date of taxes is not until November 1, for the convenience of the taxpayers, tax payments will be accepted beginning today (Oct. 25).

"The remaining one-half, or second installment of the taxes on all personal property and real property will be payable on and after January 20, 1947, and will become delinquent on April 21, 1947, unless paid prior thereto."

"NEEDLENOISE"

(By Ellis Jacobson)

A full moon, that certain someone and the dreamy voice of Dinah Shore cooing a song that's ummmmm. "Two Silhouettes," a warm little number that has had some difficulty catching on but is now well on its way to becoming one of the leading ballads of the day. Meridith Willson and his orchestra are along wih some well balanced accompaniment to help bring out the best in Dinah, and that they do. The turnover of this Columbia waxing is "That Little Dream Got No Where," a slow, not too melodic number. Dinah brings out the best this little tune has to offer. It's a sentimental and dreamy record . . . but nice!

Our boy from down Balboa way . . . Stan Kenton . . . has etched a new instrumental, "Intermission Riff," featuring Kenton on piano, Vido Musso playing tenor, Boots Mussuli blowing alto sax and Ed Sanfranski thumping the bass. The number as a whole has a certain repetition that is not pleasing and the ensemble backing the solos is loud and intrusive. A good beat and some rocking solos save this platter. June Christy takes the vocal chorus on "Pity to Say Goodnight," the flip on this Capitol record. She really bellows on this piece, much louder than usual and there's a lot of that Anita O'Day touch in there. The gal is improving with each recording. The maestro comes in with a short piano break, nothing unusual but the ivories sound clean. Should sell . . . to Kenton fans.

Dave Dexter, noted jazz authority, will have his new book, "Jazz Cavalcade," on the market in a few weeks. This bit of work promises to be very enlightening as it's the first major volume on jazz to come out since the war disrupted publishing schedules five years ago.

Looks like Hollywood has gone music crazy . . . all sorts of jazz pictures coming out. Artie Shaw and Woody Herman are each planning independent productions . . . ah yes anyone wanna start a recording firm or motion picture outfit? Everyone's doing it!

Atty. Don Keller To Speak Sunday At Local Church

Atty. Don Keller of San Diego will be the speaker next Sunday evening, 7:30 o'clock, at the Point Loma Methodist church Sunday evening program. Mr. Keller will speak on the subject "Juvenile Delinquency."

A brief period of meditation and prayer will be led by Ronald Cameron and Rev. Paul Biesemeyer. There will be a nursery where parents may leave small children. A cordial welcome is extended to everyone in the community.

From 6:30 to 10 p. m. the same evening the Methodist Youth Fellowships will meet for devotion, discussion and recreation. Three age groups are included, Junior High, High School and College age groups. All young people are cordially invited to attend, announces Rev. Biesemeyer, the pastor.

Lieut. and Mrs. G. F. Cole of 4766 Del Monte Ave. are entertaining Mrs. Cole's parents, Mr. and Mrs. T. H. Parsons of Bellingham, Wash., who arrived on Oct. 14 by plane. The Parsons will return about the 1st of November. Lieut. Cole recently retired from the Navy after 28½ years of service.

District Attorney

please consider the record:

THOMAS WHELAN, age 44 years, has practiced law in San Diego for 22 years, fourteen years of that time as District Attorney of San Diego County. He is a man of proven ability. His record as a lawyer in private practice and as District Attorney of San Diego County has withstood the white heat of merciless publicity.

Mr. Whelan's opponent was until the latter part of the year 1943 employed in San Francisco, and a resident and voter in San Francisco. What do the citizens of San Diego KNOW of the ability of this opponent?

This opponent cannot qualify for this important office on the false and slanderous attacks being made against Mr. Whelan. A smear campaign does not prove ability. It does not prove that this opponent would have a clean administration. Rather it proves the contrary.

KNOW FOR WHOM YOU VOTE

Disregard the current false political attacks. Other false political attacks in previous campaigns have in time and when aired in the sunlight proven false. The same forces are again opposing Mr. Whelan.

INVESTIGATE - THEN VOTE FOR WHELAN

Birthdays Of Members Honored By Eastern Star

(By Ardith Jennings)

Point Loma Chapter No. 490, O. E. S., met on Monday, Oct. 21, at 8 o'clock in the Masonic Hall, Ocean Beach, for a business meeting, with Jeanette Croft Hendrickson, worthy matron, and Paul A. Hendrickson, worthy patron, presiding. Junior Past Matron Agnes Driscoll filled the station of worthy matron for business and balloting. Past matrons and patrons attending were Fern Herbst, Hazel Lathrop, Bernice Bull, Mary Lee, Leroy Lee and Agnes Driscoll. Past Matron Mary Lee filled the station of secretary due to the absence of the regular secretary, Ella Cole, who is on the sick list.

The after-chapter party honored the birthdays of members having birthdays in September, October, November and December and was prepared by Yvonne Hall, chairman, and the following committee: Zeta Jensen, Evelyn Drey, Patricia Roberts and Fern Herbst. The tables were decorated in autumn colors with cattails and maple leaves running down the center of each table. Yellow nut cups and birthday cards were at each of the honored member's place at the tables. The worthy matron centerpiece was a bouquet of "Bird of Paradise" and yellow and brown cattails. Gingerbread and coffee were served.

Harry Masters Jr. of 1735 Froude St. was host to eight of his friends on his 9th birthday Sunday afternoon at 4:30 o'clock. The children had a wiener roast in the patio after which they played games. Harry's father, Harry Masters Sr., was in charge of the party and was assisted by Harry's grandmother who recently came here from Newcastle, Pa. Those attending included Harold Masters, Mary Lou Ohlson, Joanne Rand, Norma Roche, David Chandler, Richard Love, Kay Miller and Carl Hager.

Besides Mr. and Mrs. Paul Hendrickson, mention of whose trip is made in another column of this issue, Point Loma chapter 490 of the Order of Eastern Star was represented at the Grand Lodge sessions at Sacramento by four others. They were Mr. and Mrs. Edgar Hastings, Mrs. Melba Belcher and Mrs. Elizabeth Essex. The convention, which was in session from October 13 to 17, attracted 2539 delegates from the 505 chapters in California, Paul Hendrickson reports. For the state as a whole membership in the Order of Eastern Star has now reached the total of 118,856, he stated Tuesday.

Don Thomson and Al Keogh, manager and co-owner of the Strand Theatre, made a mid-week business trip to Phoenix, Ariz. They left on Tuesday and returned Wednesday evening.

George E. Nichols of Bailey, Colo., who has the distinction of having spent his winters in Ocean Beach for the past 20 years, passed away on October 6 in his home town, according to word received here by his friend, Frank B. McElwee of the Camp Holiday court. Nichols was 78.

Mr. and Mrs. James Field of 810 Catalina Blvd., are the parnets of a baby boy, born Tuesday, Oct. 15, in Quintard hospital. The little lad is the second child in the family and the first boy. He weighed 9 pounds plus at birth and has been given the name of Steven Knox.

Mr. and Mrs. Adolph Potratz of 711 Thomas St., Pacific Beach, vacationed in San Francisco last week. They left on Tuesday, Oct. 15, and returned last Saturday after spending the time there visiting their daughter, Mrs. Irene Wetherwax. Mr. Portratz works in the meat department at the Market Basket.
